Provided that the amount so deducted or recoverable in any year shall not exceed one-twelfth of the rent payable by the tenant for that year.

(3) Where any repairs without which the building or rented land is no longer habitable or useable, except with undue inconvenience, are to be made and the landlord neglects or fails to make them after receiving notice in writing, the tenant may apply to the Controller for permission to get such repairs done on his own and may submit to the Controller an estimate of the cost of such repairs, and thereupon the Controller may after giving the landlord an opportunity of being heard and after considering such estimate of the cost and making such inquiries as he may consider necessary, by an order in writing, permit the tenant to make such repairs at such cost as may be specified in the order and it shall thereafter be lawful for the tenant to get such repairs done on his own and to deduct the cost thereof, from the rent, which shall in no case exceed the amount so specified or otherwise recover it from the landlord:
